

PREP Parent Information 2019/2020

Important Update:

- **NEW...Adults (18 and over) will not be permitted to remain in Celebration Hall (the classroom building) after dropping off their child unless they have completed all compliance paperwork as mandated by the Diocese of Palm Beach, Office of Safe Environments.**

Sacramental Information:

- It's important that we meet with parents of our sacramental classes. Parents agree to attend all sacramental meetings.

Attendance:

- We do our best in assisting you in educating your child in our Catholic Faith. It is important that your child attends all classes. If a student misses more than three classes, a decision will be made as to whether that child moves to the next year or receives their sacrament.
- It is also important that your child is on time for classes. Please note that four tardies will be considered as one absence. Please do your best to ensure your child attends all classes and is timely.
- Faith Formation is an ongoing process. We encourage you to continue your child's Religious Education each year.

Child Safety:

- The safety of our children is very important to us, so we will limit the doors that will be open for entering the building.
- On Sunday, both south and west doors may be used. On Monday and Wednesday, only the south door will be open.
- All doors will be locked **five minutes** after classes begin. If you arrive after the doors have been locked, please knock so we can let you in.
- The doors will be unlocked **five minutes** before class ends. Students will not be allowed to walk to the parking lot unless accompanied by an adult.
- Please ensure all members of your family that will pick up your child are aware of these guidelines.
- Please refer to the diagram on the back for drop-off and traffic flow procedures for Mondays and Wednesdays.

Thank you for your cooperation with our guidelines.
