

Sponsorship Opportunities

DNS/PNPG Symposium 2019

Date: June 7-9, 2019

Location: Charlotte, North Carolina

The Dietitians in Nutrition Support (DNS) and Pediatric Nutrition Practice Group (PNPG) Dietetic Practice Groups (DPGs) of the Academy of Nutrition and Dietetics (Academy) will host a joint symposium in 2019! The symposium is a popular member benefit that attracts dietitians and aspiring leaders in nutrition from around the country. The symposium will focus on application of evidence-based practice, research updates, and current topics of interest to practitioners and their clients. All sponsors will have their logo listed on the symposium website page until the end of the symposium and will be recognized in symposium printed and electronic materials.

**Program agenda is available upon request*

About DNS DPG

The DNS DPG is a diverse and committed network of over 3,100 Registered Dietitian Nutritionists who specialize in nutrition support (enteral and parenteral nutrition) for individuals across the health care continuum. DNS members practice in acute care, long term care and outpatient settings, in many areas including critical care, transplantation, home care and pediatrics.

About PNPG DPG

Members of the Pediatric Nutrition Practice Group (PNPG) of the Academy of Nutrition and Dietetics are the nutrition experts who promote optimal nutritional health of infants, children and adolescents. The practice group has over 3000 dedicated members working in health care facilities, state and federal agencies, business and industry, and colleges and universities.

Without the support of industry leaders, DNS and PNPG would not be able to offer such beneficial experiences for our members. This document highlights available sponsorship opportunities for the DNS/PNPG Symposium; customized sponsorships are always welcome. Sponsorship of this event provides a chance to share and strengthen a sponsor's image with Registered Dietitian Nutritionist leaders as well as spotlight your products and services. Sponsors are recognized and acknowledged for their contributions to the dietetic practice group. A member of the Sponsorship Committee would be happy to provide further details on these opportunities or discuss other ideas. Thank you for your consideration.

DNS/PNPG Symposium Sponsorship Committee,

Lauren Probstfeld, MS, RD, CNSC

DNS/PNPG Symposium 2019:

Date: June 7-9, 2019

Location: Charlotte, North Carolina

Platinum Sponsorships

Member Reception Sponsor: \$7,500 to total \$15,000 (maximum of 2 sponsors).

The reception will be jointly sponsored preferably by one pediatric sponsor and one nutrition support sponsor. Attendees include members from both the DNS and PNPG DPGs.

Friday, June 7th from 5:30pm-7pm

- Each sponsor will have 5 minutes to speak at the reception
- Includes one table for exhibit during symposium for each sponsor
- Includes 100% symposium registration for two attendees per sponsor

Gold Sponsorships

Luncheon Buffet Sponsor: \$5,000 to total \$15,000 (maximum of 3 sponsors)

Friday, June 7th – DNS Dedicated; Saturday, June 8th – Combined DNS & PNPG attendees

- Includes one table for exhibit during symposium
- Includes sponsor recognition during luncheon break
- Includes 100% symposium registration for two attendees

Silver Sponsorships

Refreshment Break Sponsorship: \$3,000

Friday, June 7th – DNS Dedicated; Saturday, June 8th – Combined DNS & PNPG attendees

- Includes one table for exhibit during symposium
- Includes 100% symposium registration for two attendees

Bronze Sponsorships

Table Top Exhibit: \$750 (\$250 for non-profit organizations)

Exhibits will be open during the member reception on Friday, June 7th and during select times on Saturday, June 8th. Attendees include members from both the DNS and PNPG DPGs.

- Includes one table for exhibit and 100% symposium registration fee for one attendee
- Exhibitors are limited to two representatives per table. Bringing three or more representatives may require additional fees to be determined by DNS/PNPG.

All monetary sponsorship must meet the goals of and be consistent with approved programs and projects of the DNS and PNPG DPG. Sponsorships require a contract Letter of Agreement (LOA) between the sponsor and the Academy of Nutrition and Dietetics on behalf of DNS/PNPG. All programs and projects are subject to approval of the DNS DPG, PNPG DPG and the Academy.
